

# DigiMag® PLUS

**Printable Magnet for Digital Presses**

**Kodak**

NEXPRESS Digital  
Production Color Presses  
QUALIFIED SUBSTRATE

## Expand your Printing Capabilities! Print Directly to Magnet.

Let us help you increase your product offering by including printed magnets! Magnum Magnetics® is proud to offer flexible magnetic sheeting designed for HP Indigo presses and qualified for select Kodak NexPress presses.

### DigiMag® PLUS Features

- Strong magnet material compatible with the HP Indigo 7000 Series
- Material is unmagnetized—magnetize post-press using magnetizers available from Magnum Magnetics
- Available with matte white or gloss white printable surface, with or without back coating (*some presses may require white back coating for efficient feeding*)

**Magnum  
Magnetics®**
